

Increase Your Success

Tutoring for grades 1-12

The Increase Your Success tutoring program offers academic assistance via one-on-one Zoom and on-site group sessions, for mathematics, science, and language arts (English).

Increase Your Success tutoring provides students with:

- A pre-assessment session to determine a learning plan tailored to their needs.
- One-on-one online sessions via Zoom are available for students that need individual attention, allowing them to follow their learning plan, learn at their own pace, and focus on any areas of difficulty.
- On-site group tutoring supports students in following their learning plan in a supportive and social environment.
- Effective study and time management techniques to further aid them in their educational goals.
- Help with school-assigned homework and projects so they don't fall behind.

Details:

- Tutoring is available for three 8-week terms (2022-2023)
 - **Fall Term:** October 25 - December 17
 - **Winter Term:** January 10 - March 4
 - **Spring Term:** March 21 - May 13
